

CAMP BETHEL

FALL NEWSLETTER 2025

This summer our theme was John 14:6. In a world that believes there are many ways to God, it is now even more important that we teach our young people what God says about this issue. God says that the only way to Him is through His son Jesus. Jesus is the only mediator between Himself (God the Father) and mankind. There is truly only one way to heaven and that is by believing in Jesus for salvation.

Therefore, when was the last time you explained this to your kids, grandkids, and those youth God brings your way? Can you show them **in the Scriptures** what our God says about salvation and by whom we must come to in order to have salvation? I challenge you to open your Bible and sit down with those you love and show them the truth **in the Scriptures** about salvation, and how it's found in Jesus alone. There is no other way. If you're unsure how to do this, please seek out your pastor or an elder in your church. I know they would be happy to help you with delight.

More followers of Jesus were added to the kingdom of God this summer!

We're working on a new ball field for games and activities. The field has been leveled and seed has been planted.

LOOK AT WHAT GOD DID IN 2025

Our new RV park for our volunteers is now available for use! We have 5 pull-through sites with full-hookups!

Therefore, we are now looking for summer volunteers who own an RV to help us with grounds, first aid and kitchen. You can stay and help for a week or the entire summer.

If you are interested in volunteering next summer (2026), please reach out to the Executive Director, Tim Huff. He will be able to answer questions and get you on the summer volunteer schedule.

Since summer ended, we've had 9 rental groups use the facility, and we currently have another 17 groups on the calendar before summer staff arrive for training. God is good!

If your church is interested in booking a retreat, we still have a few openings on the calendar. Just contact the Executive Director, Tim Huff, and he will help you through the process of scheduling a retreat.
