## GOD IS STILL AT WORK!

### Amazing Summer

Another year is quickly coming to an end, and what a year it has been. We are all blessed to serve such an amazing God who is at work in lives around us!

We saw so many come to know the one true God as they prayed to receive Jesus as their Lord and Savior.

This summer we had another record breaking attendance of 717 campers! The exciting part was, 113 of them were un-churched youth who were invited by their friends to come to camp.

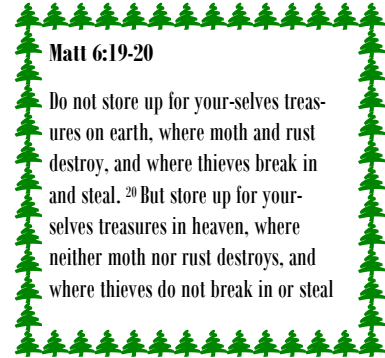

The part we celebrate is the fact that 67 young people prayed to receive Jesus as their Lord and Savior for the first time, and 21 youth re-dedicated their lives to the Lord!!! Yes, God is still very

much at work in people's lives!

I would like to thank each one of you who looked around your neighborhood, schools, families and churches, and invited young people to come to camp to hear about Jesus.

A lot of you even went further by offering to pay the way for that young person to attend. You all are making a difference in lives around you every time you invite someone to camp. Our promise to you is, we will share the gospel more than once to every camper that attends any week in the summer.

Keep up the good work for the Kingdom! We all should be motivated with the desire to hear those words one day from our

**Matt 6:19-20**

Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. <sup>20</sup> But store up for yourselves treasures in heaven, where neither moth nor rust destroys, and where thieves do not break in or steal

Lord, "Well done, good and faithful servant".

Keep doing the things that have eternal rewards, not earthly things that have no lasting rewards.

### What's New

God has opened some doors for us to add another option to our "High Adventures" Activities. In the past, for an additional \$20 a camper could select Rappelling and Rock Wall Climbing.

Next summer we'll be adding an "Antelope Butte Mountain" option to our High Adventures. If a camper selects this option, camp will transport them to the Antelope Butte Mountain Recreation Area where the camper will ride the ski chair lift to the top of Antelope Butte Mountain and then hike down with camp staff.

At this time, a camper can only select Rappelling/Rock wall or Antelope Butte Mountain for the week, not both. This is an extra \$20 option located under the High Adventures Activities.

We hope to allow campers in the near future the option to select both the Rappelling/Rock Wall and Antelope Butte Mountain High Adventure, but for this summer, only one or the other can be selected if they wish to pay the additional \$20 fee.

Camp also purchased 20 new kayaks last year but we're only able to use them a few times due to weather. Next summer, we hope to be able to use them more.

Next summer we'll be changing some of the activities we do for each grade group. This way there will be something new to look forward to each year a camper advances to the next group level.

Finally, I am excited to announce that the Antelope Butte Mountain Recreation Area has offered Camp Bethel's rental groups some really nice discounts to go Nordic or Alpine/Snowboard skiing while staying here. I will be sending out a letter explaining our special pricing here soon to all our current rental groups.

We do praise God that we only have a couple of open weekends available for booking this winter. God has been keeping the camp busy, and we truly praise Him for the work He's doing here at Camp Bethel.

Finally, please keep us in your prayers as we seek to share the gospel to those who enter our gates, and to provide a nice facility for churches to rent so they can bring their people to hear about Jesus. The following are some items you can be praying about.

1. For wisdom as we seek the Lord's direction in all we do.
2. Safety for those traveling to camp and back home.
3. Safety for those attending camp, including staff.
4. That God would speak through camp's speakers.
5. People would come to know Jesus as their Lord
